FMS Payroll Services

FMS knows supermarkets and has been providing superior payroll services to retailers for over 35 years. Endorsed by National Grocers Association, FMS' Payroll Services has provided the industry a trusted and valued service when compared to national payroll companies.

FMS Payroll Program Benefits & Features

- ✔ FMS charges 30-40% less than national payroll companies.
- ✔ FMS does not add on charges that drive up payroll costs to retailers.

FMS Benefits & Features (cont.)

- ✔ FMS services over 1,800 supermarkets in payroll outsourced services & software.
- ✔ FMS utilizes the most current technologies via the internet, web portal and executive dashboard
- ✔ FMS communicates with supermarket electronic time & attendance systems.
- ✔ FMS offers Tax Screening Services to help retailers secure employment based federal and state tax credits. (The average supermarket should be receiving \$8-10k a year in employment based tax credits.)
